ABOUT

Shelter Holidays Private Limited is a one stop-shop for all your travel requirements including air tickets (domestic (Kerala tour packages, India tour packages), International and all low cost carriers), worldwide hotel bookings, airport transfer and car-rents, travel insurance, passport and visa services, UAE visit visas, and tailor-made-packages to worldwide destinations.

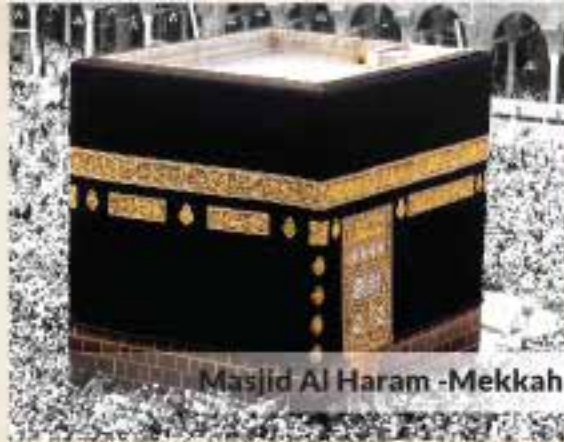

Shelter Holidays is nurtured from the seed of a simple idea to empower travel, by a group of travel freak friends. We travelled, travelled and travelled.. But then, at the end of our journey towards four corners of the world, we realized India, in particular, Kerala, 'God's Own Country', is one of the most wonderful destinations that every passionate traveler must explore. And this has been our driving force to start Shelter Holidays.

Being travelers ourselves, making your holidays most memorable and adventurous is the greatest passion that we hold! We welcome you to our beautiful paradise.. Everything needed for you.., your best stay (whether it's a five star hotel or just a home stay, no worries, we can arrange it for you!), transport, house boat, tree house, will be taken care of..! It's not a word of promise, but a powerful commitment from a group of travelers!
